Jimmy drew this shape in math class today. He wrote the perimeter and area underneath the shape in his math journal.

Perimeter = 15
Area = 13

Answer the following questions about Jimmy’s shape.

- Label the measurement of each side on the lines provided.

- What shape did Jimmy draw?
• What is the perimeter of Jimmy’s shape? Explain how you found your answer.

• What is the area of Jimmy’s shape? Explain how you found your answer.

• Are Jimmy’s answers correct? Explain why you agree or disagree with Jimmy’s answers.
